It's 2022 and By the Numbers is back. Last week, we released the **Autism Drug Trial Tracker**, an interactive tool to explore hundreds of clinical trials for autism and related conditions. All the **code and data** are open source, and we hope it proves useful to the autism research community. We'll update the tool regularly, as new data become available.

Let us know what you think of the newsletter, or the drug trial tracker, at **news@spectrumnews.org**. Thanks for reading.
